Date of Birth: 1999-08-12

Nationality: American

Profile

Junior AI Engineer focused on NLP and retrieval with hands-on experience fine-tuning small LLMs and building inference APIs.

Skills

- Python
- PyTorch
- Transformers
- NLP
- Retrieval
- FastAPI
- Git
- Docker

Experience

Junior AI Engineer — CortexWorks (Austin, USA)

Jan 2024 – Present

- Fine-tuned instruction models (1–3B params) for internal copilots.
- Shipped a FastAPI inference service with streaming responses.

Tech: Python, PyTorch, Transformers, FastAPI, Docker

Projects

DocQ&A — Python, FAISS, Transformers

RAG system over policy PDFs with vector search and caching.
